To Whom It May Concern,

It is with great pride and purpose that I express my heartfelt commitment as an advisor and partner to the Shams Family Foundation (SFF) and the World Wide Council of Foundations (WWCoF). This partnership is rooted in a shared vision of equity, empowerment, and sustainable impact across global communities.

The Shams Family Foundation has consistently demonstrated a deep and unwavering dedication to uplifting underserved populations through education, innovation, and inclusive development. From transformative youth programs in the United States, to community resilience initiatives in Europe, and capacity-building efforts across Asia, SFF's work exemplifies what it means to lead with compassion and strategic foresight.

As a global advocate for women's leadership and social impact, I am honored to align with organizations that not only envision change but actively create it. The synergy between SFF and WWCoF represents a powerful alliance—one that bridges continents, cultures, and causes to build a more just and empowered world.

Together, we are not only amplifying voices but also building platforms for lasting transformation. I look forward to continuing this journey of impact, innovation, and inclusive leadership with our global partners.

With gratitude and commitment,
